FIVE GALLONS (18.925 L)

iPELIGRO! SE VENENO. EXTREMADAMENTE INFLAMABLE.

Jasco® Lacquer Thinner is a high-solvency, medium-drying thinner for lacquer. Cleans tools and equipment after a lacquer project.

DIRECTIONS FOR USE:

Follow the coating manufacturer's instructions for the proper amount of Lacquer Thinner required. We recommend starting with a ratio of 4 ounces per gallon. Do not use more than recommended by the manufacturer. When using as a cleaner, pour a small amount in a glass or metal container.

IMPORTANT: Carefully read all directions, notes and cautions prior to use. Only use this product as directed on the label. Protect eyes with chemical splash goggles and avoid prolonged skin contact.

HELPFUL TIPS: Most automotive finishes require a specific thinner for use within certain temperature ranges. Lacquer Thinner has a medium rate of drying when used within mid-range temperature conditions

STORAGE: Do not use or store this product near any source of heat or open flame, furnace areas pilot lights, stoves, etc. Keep it in a cool, dry place, out of direct sunlight, at temperatures below 120°. Keep container closed when not in use. Do not reuse this container

DISPOSAL: If container is corroded, rusted or shows other signs of deterioration, dispose of product Dispose of empty cans and leftover product at your local household hazardous waste collection facility. If one is not available, dispose of in accordance with federal, state and local regulations

DANGER! EXTREMELY FLAMMABLE. VAPORS MAY CAUSE FLASH FIRE OR IGNITE EXPLOSIVELY. KEEP AWAY FROM HEAT, SPARKS, FLAME, AND ALL OTHER SOURCES OF IGNITION. Extinguish all flames and pilot lights, and turn off all stoves, heaters, electric motors and all other sources of ignition during use and until all vapors are gone. Do not smoke. Keep away from electrical outlets and switches. Beware of static electricity generated by synthetic clothing and other sources. USE ONLY WITH ADEQUATE VENTILATION TO PREVENT BUILDUP OF VAPORS. Do not use where vapors can accumulate and concentrate such as basements, bathrooms and small, enclosed areas. If using indoors, open all windows and doors and maintain a cross ventilation of moving fresh air across the work area. If strong odor is noticed or you experience any dizziness – STOP ventilation is inadequate. Leave area immediately. IF THE WORK AREA IS NOT WELL VENTILATED, **DO NOT USE THIS PRODUCT.** A dust mask does not provide protection against vapors.

DANGER!★ POISON. MAY BE FATAL OR CAUSE BLINDNESS IF SWALLOWED. EYE IRRITANT. **VAPOR HARMFUL.** Contains Acetone, Ethyl Acetate, Methanol, Petroleum Distillates and Toluene. Reports have associated repeated and prolonged over-exposure to solvents with neurological and other physiological damage. The risk to your health depends on the level and duration of exposure. Intentional misuse of this product by deliberately concentrating and inhaling vapors can be harmful or fatal. Avoid breathing vapors or mist and contact with skin, eyes, and clothing. Do not swallow.

▲ WARNING: This product can expose you to chemicals including Methanol and Toluene, which are known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

FIRST AID: INHALATION: First move person to fresh air. If not breathing, give artificial respiration. Call 911, or the Poison Control Center at 1-800-222-1222, or emergency room, as soon as possible. EYE EXPOSURE: Immediately flush affected eye(s) with water. Call 911, or the Poison Control Center, or emergency room, as soon as possible. SKIN EXPOSURE: Immediately wash skin with soap and water. Avoid spreading material on unaffected skin. Remove contaminated clothing and shoes, and thoroughly clean before reuse. Contact medical professional for advice. IF SWALLOWED: **IMMEDIATELY** call 911, or the Poison Control Center, or emergency room, as soon as possible. **DO NOT INDUCE VOMITING** unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person.

KEEP OUT OF REACH OF CHILDREN.
